In the preceding Con the Dy. Com^r of the Shimoga Dt:, has refered to his dockets no: 989 of 10.3.9 and no: 373 of 10.10.94 with 717 which two bills have 295 been forwarded to Govt: f Rs: 4+2 respectively

As regards the mistake committed ~~in the Comptroller's office~~, please see ~~that office~~ the Comptr's Statement forwarded with ~~that office~~ his no: 3808 of the 13.1.1903. In the explanation for adjustment of Rs: 7/12/:, that office makes a reference to the orders of Govt of the 15.3.1902 & 23.4.1892. But these orders are for bills of Rs: 482. Hence the mistake

As regards the item of 7/12/:, it is the amount of the bill of a previous year, 1892, and the Corrs relating to it is contained in Part VI of the Gl. Two Trigonometrical Survey Stations, Chandragutti & Kodachadri, in the Shimoga dt: were repaired in 1890-1 & the amount of Rs: 7-12-0 spent therefor, had been paid out of the Permanent advance by the Amildar. Proper receipts & a bill for this amount were received from the Dy: Com^r with his letters nos: 618 of 15-9-92 & 783 of 12-12-92. The said bill, after being countersigned by the Dy: Survey General, was forwarded to the Comptr: India Treasuries & this fact was communicated to the Comptr: & the Dy: Com^r (vide nos: 592 & 748 of 22-12-92). The Comptr: in his no: 6696 of the 18-5-94 is reported to have instructed the Dy: Com^r to recoup the amount spent by drawing the money from the Treasury & debiting it to Advances recevable. Under this authority the two items (one of May & the other of June 1894) in question were drawn in adjustment of the amounts paid out of the permanent advance in 1890.

Sir,

With reference to your letter No Fc 7874 dated 19th May 05 enquiring Gl Fin 145-03-8 the circumstances under which the sum of Rs 7-12-0 spent for the repairs of the Trigonometrical Survey stations at Chandragutti and Kodachadri are reported to have been adjusted I have the honour to submit herewith a memo shewing the summary of correspondence that has taken place between this office, the Secretariat and the Comptroller on the subject. It will be seen therefrom that the vouchers and receipted bill for the

amount have already been submitted to Government and the amount which had been paid out of the permanent advances held by the Amildars of Sorab and Sagar Talukas were recouped by drawing the money from the Treasury as per instructions conveyed in the Comptroller's docket No. 6696 dated 18th May 1894. This fact was intimated to the Comptroller in this office No. 2915 dated 26th June 1899. Under these circumstances it is not known why the amount is still shewn as unadjusted by the Comptroller or what is still required to be done.

2. What was meant to be stated in this office No 869/666 dated 9th May 1905 is that the amount that had been paid out of the permanent advance was recouped on 29th May 1894 by drawing the amount from the Treasury.

Sir,

With reference to your letter No. Jl. 876/1 dated 20th June 1905 making certain observations regarding the adjustment of Rupees 7-12-- spent for the repairs of certain Trigonometrical Survey Stations in the District, I have the honor to state that the matter under correspondence relates to the year 1890-91 as indicated in the Summary of correspondence furnished with this office No. 995 dated 7th June 1905 and not to March 1892 as observed in the letter under reply. The items of

Chinnibhaguttie (Scrub Jungle) Rs. 4/- ...

May and June 1894 in ques-

as outstanding have reference
to the item of 1890-91, as may
be seen from the following.

1 Repairs to the marginally noted. Trigonometrical stations were executed in the year 1890-91, and the amount spent had been paid out of the permanent advance held by the Amildars, as directed by the then Deputy Commissioner. The matter of adjustment of the amounts was under correspondence. Proper receipts and receipted bills for Rupees 7-12 were submitted to Government with this office Nos: 618/592, 783/748, dated 15th September and 12th November 1892 respectively.
